The Geological Society of South Africa invites you to a workshop on Compliance and JSE Reporting for Competent Persons

The GSSA is hosting a session introducing the SAMREC Code, professional registration and the compilation of (Solid Minerals) documents for the JSE.

DAY one

Consists of a basic course aimed at geologists, mining engineers and other technical specialists, who include sign-off as Competent Persons (“CPs”) in their job descriptions.

Is more advanced and concentrates on the requirements for CPs who compile Competent Persons Reports and Integrated Annual Reports for companies listed on the JSE (applicable primarily to Solid Minerals).

DAY two

Attendees can register for one or both days.
