This is an on-line event held over four half-days and comprises an introduction to the SAMCODES, requirements for Competent Persons (CPs), and the compiling of Competent Person Reports (CPRs) for the Johannesburg Stock Exchange (JSE). Attendees can register for as many days as they wish.

Days 1-3: This basic course is aimed at geologists, mining engineers and other technical specialists, who include sign-off as CPs in their job description. It includes an introduction to SAMREC, SAMVAL, SAMOG and also SAMESG.

Day 4: A more advanced course which concentrates on the requirements for CPs who compile documents, specifically Competent Persons Reports and Integrated Annual Reports, for companies listed on the Johannesburg Stock Exchange.

This course will include:
- A review of the Section 12 Listing rules applicable to both the Main Board and the Alt-X, highlighting some of the issues experienced by CPs over the years as well as some of the updated requirements as a result of the implementation of the 2016 Codes.
- An introduction to the JSE Readers Panels and a discussion of some of the on-going compliance issues identified by the panels.
- A discussion of professionalism and ethics as they relate to CPs and CVs.
- A presentation and discussion of various valuation-related issues that impact on all public documents.

The duration of the talks are approximately 4 hours per day, which equates to 4 CPD points on the GSSA system or 0.4 CPD points on the SACNASP system.
